Home draw against a team from a lower division	– minus 1 point
Away defeat against a team from a lower division	– minus 1 point
Home defeat against a team from a lower division	– minus 2 points

FA. County FA & League Cup Matches:
The calculation is made using the score at the end of full time or extra time if played

Calculation Criteria = Total points divided by the number of matches played to give an average per match

A Club must have played a minimum of 3 matches in the Month

Any occasion that there is a tie, the final decision shall be at the absolute decision of the Management Committee.

The Management Committee reserve the right to disqualify any Club due to a breach of the Leagues Respect Code of Conduct and League Rules, which includes dismissals from the technical area and playing ineligible players, even if they are pending a County FA misconduct charge.

The criteria was confirmed by the Management Committee at their meeting held on 10th September 2014
