

LEAGUE DIRECTIVE: OFFICIAL MATCHBALL

In all matches under the jurisdiction of The North West Counties Football League the Official League Match Football must be used as per League Rule 14.9.

Referees are required to report any breach of this rule on their match report form as per League Rule 14.11. Please note the inflation pressure as per the manufactures instruction should be between 7 - 10 p.s.i.

Any Club reported for a breach of this directive shall face disciplinary action and a fine of £25-00 as per the League Fines Tariff.

By order of the Management Committee
